

The WDI 2022 Workforce Transparency Awards

This document explains what the different Workforce Transparency Awards mean.

The first table below shows the categories of Awards with winning companies; if you are one of the winning companies in at least one of the categories, we will send you a “WDI winner” badge to use in your publications.

The second table shows those categories through which the qualifying companies will be acknowledged with a special mention, but there aren’t individual winning organisations.

All the winning and short-listed companies, as well as those with a special mention, will be featured on the WDI website to celebrate their achievements. The WDI team will send you the link to that page on Monday 20 February.

The **Workforce Transparency Awards** will be held via Zoom on **Tuesday 21 February at 3pm GMT**. To sign up to attend, please follow [this link](#).
